

It is important that anyone working in the food industry, handling or selling food for charity or community events, makes sure food sold is safe and suitable to eat.

All food businesses have a legal responsibility to comply with the [Food Act 2008 \(external site\)](#), [Food Regulations 2009 \(external site\)](#) and the [Australia New Zealand Food Standards Code \(external site\)](#) including [Chapter 3; Food Safety Standards \(external site\)](#).

All Volunteers assisting in the Stadium Canteen MUST have completed the Food Safe Food Handling Training Program.

The Food Safe Food Handling course is provided FREE for Canteen volunteers by the City of Mandurah and takes less than an hour to complete online.

Click on the link below to access the course and use the discount code to undertake the course for FREE.

Please read all information and instructions on the document before registering for the training.
